B Corp Certification - Disclosure Questionnaire Documentation
Disclosure Questionnaire category: Clients in Controversial and Ineligible Industries
Updated as of: 2/19/2026

ABER Group Ltd is currently involved or has had involvement within the last five years in providing services and/or products to companies in the following industries considered controversial or ineligible by B Lab Global: Pharmaceuticals.

While products and services provided to these clients could serve only as commonplace goods and services, by serving these clients the company may be supporting these industries. B Lab recognizes that these industries potentially have negative impacts, therefore, Certified B Corps are required to make their involvement in such industries transparent.

Any party aware of specific company practices that have had a negative impact related to its involvement in these or other controversial industries, and which may constitute a violation of the B Corp standards, may contact us via our public complaints procedure.
